A large bronze statue of Ulysses S. Grant stands prominently in the center of the frame. He is depicted from the waist up, wearing a detailed military uniform with a high standing collar and numerous buttons. His right hand rests on his hip, while his left hand holds a sword. The statue is set against a backdrop of large, mature trees and a paved walkway. In the foreground, a low stone wall runs across the scene, featuring black wrought-iron bollards. A plaque at the base of the statue reads "ULYSSES S. GRANT" and "GENERAL-IN-CHIEF ARMY OF THE UNITED STATES 1864 - 1869".
